“I don’t think we’re in Kansas anymore Toto.”

- Dorothy, as she entered the
court room to begin voir dire.

The jury wants to choke you?
Bad, but not fatal.

The jury actively hates you?
Very bad, but again not fatal.

Make sure you're right or can't be proven wrong.
They just might check.

"Liar, Liar, plants for hire."
- Patrick Star

Mrs. Franklin, your 2nd grade teacher,
was right.

Lawyers on your jury = Russian roulette.

One Exception: Lawyers on your jury
with whom you regularly practice and
who are your friend.

Don't play with your toys.

Subtle manipulation is tough.

Impeachment? Is that a drink?

If the clock gets to midnight,
you will be the pumpkin.

The lawyers after the verdict are
getting 25% of the story.
